THE HISTORY

There's plenty to keep you amused at Fort Edmonton Park's Johnny J. Jones Exposition, a recreation of the popular 1920s North American travelling carnival. Discover the new brand games and rides that have been added to the entertainment mix. Try our larger Ferris wheel, outdoor maze, and you won't want to miss the Cabinet of Curios. This exhibit is a custom sideshow filled with screams, tricks and other cool effects. Then head over to our expanded Games Alley, which now includes 1920s-themed high-impact water and shooting games.
