

Bar Services

A note on bar services at Fort Edmonton Park

We proudly feature local beer and cider, Canadian wines and a roster of fine spirits, some distilled right here in Alberta and others sourced from around the world.

We provide professional, attentive, ProServe certified bartenders at a cost of \$45.00 per hour. The minimum call per bartender is three hours. Bartenders arrive one hour before alcohol service and stay one hour after the bar closes. A minimum of two bartenders are required for all functions. The Director of Catering can provide a specific quotation based on your event details.
