

Valentine's Day Dinner

When Harry Met Sally

Tell me that I'll never have to be out there again.

Choice of Appetizer:

Chef's Salad

Green leaf lettuce, smoked deli turkey, shredded mozzarella, egg, avocado, tomato, served with oil and vinegar

Mixed Greens Salad

Spring greens, grilled shrimp, goat cheese, sugar snap peas, cucumber, and green onion, served with a poppyseed dressing

I'll have what she's having.

Choice of Entrée:

Pastrami Croque Madame (or Monsieur - no egg)

Marble rye, deli pastrami, bechamel, gruyere cheese, mustard, cooked to perfection with a pickle spear and potato wedges

Salmon & Mustard Sauce

Pan-seared salmon, grilled marinated radicchio, potato purée, dijon mustard cream
substitute: tofu pesto steak

It's so nice to sit with someone and not have to talk.

Choice of Dessert:

Coconut cake

Homestyle coconut cake served with a rich chocolate sauce

Apple pie a la mode

Warm apple pie served with Pinocchio ice cream (choice of vanilla or strawberry) & whipped cream

That, my friend, is a dark side.
